 Conchitarum Bivalvium aequivalvium umbonis rostro obliquo un-  
 us in extremitate dexterae sito.

Conchitae Bivalves aequivalvium obliquum in extremitate dexterae sito unus	recti	longi
	obliqui	Mytilidae
	elongati	Cardiidae

Conchitae obliquae, defect.

13

*Schediasma*  
 Conchitarum Bivalvium aequivalvium umbonis rostro obliquo  
 diducto, et separato.

Conchitae Bivalves aequivalvium diductum obliquum	diducto	superiore	Cardites seu Bucardites
	separato	longiore	Conchites rugatus cordiformis rostratus.
		notabili	Conchites Rhomboides naviformis.

Conchites Rhomboides peliformis.

*Schediasma*  
 Conchitarum Bivalvium aequivalvium umbone destitutorum,  
 seu umbone nullo.

Conchitae Bivalves aequivalvium umbone nullo destitutorum	longioribus	oblongi	Utriusque defect. Conchites brachiati defect.
	breves	Cardiidae	Conchites Soleaiformes
	echinatae	Solenite	tenacioris

Conchites tenacioris, Mares  
 Conchites tenacioris, Feminae
